Penn Forest Streams, high in the Poconos along Route 903... This private, planned community for recreational and country living has for its setting unspoiled virgin forests and cool mountain streams, with over 1000 acres of secluded natural beauty. Penn Forest Streams is adjacent to thousands of acres of Pennsylvania State Game Lands and State Forests, and these tracts provide hunting and hiking which is unsurpassed anywhere in the Poconos. Beltsville State Park offers fishing, swimming, hiking, power boating and water skiing. Hickory Run State Park provides fishing, ice skating, snowmobiling, cross country skiing, swimming and hiking. Both parks are within minutes of Penn Forest Streams. The Lehigh River will challenge your skill in white water rafting and fishing. Big Boulder and Jack Frost ski areas, which provide a thrill for even the experienced skier, are only ten miles away. All these in addition to Penn Forest Streams recreational facilities provide leisure time living away from the hustle and bustle of city life.
